

# OFF WHITE LIES

## Discussion Guide

1. How do you evaluate Saul's moral compass? Is he a good person? How do your feelings about him change over the course of the film?
2. On a related note, we see all of Saul's faults, but Libby's mother is largely absent from the film. Given her decision to send Libby to Israel, does that affect your view of Saul's actions?
3. Discuss the wartime backdrop. What does this add to the story, other than providing a motive for Saul's deception?
4. Cigarettes are used as a metaphor throughout OFF WHITE LIES. Discuss the meaning of this.
